C Dupli-Key® Two-Tag Cabinet The Dupli-Key system utilizes two different sets of numbered key tags. Attach your master keys to the red octagonal-shaped self-locking key tag and fasten duplicate loaner keys to white oval-shaped, snap-hook key ring. When a loaner key is issued, insert a receipt slip in the brass holder and place on hook. Keep track of all vital key information in the Cross Reference Index Kit included. Manufacturer's limited one year warranty.

E Uni-Tag™ Key Cabinet Help avoid wasted time and frustration by organizing your key sets. In these heavy-gauge, welded steel cabinets with piano-hinged doors, all keys are attached to numbered tags and filed securely on key rack slots. For convenience, whenever key is on loan, the "Out Key" control tag records key number, key recipient and date and is then filed under same slot for accountability—a great, simple system. Additionally, the alphabetical and numerical lock location data charts assist in organization. For security, each cabinet has a locking door with a standard disc tumbler key lock with two keys. Manufacturer's limited one year warranty.
