

A EcoGuard™ Diamond Floor Mats Attractive diamond pattern enhances your entryway and adds a degree of elegance to your work environments. Carpeted surface is made from PET plastic bottles, and the all rubber backing is made from used tires, preventing landfill waste. Bi-level construction traps dirt below the surface so your interior spaces stay clean and dry. Beveled edges with fashionable fabric border are designed to reduce trips and falls. The durable rubber backing is slip-resistant to keep mat in position. Easy-to-clean—just sweep, shake out or vacuum. Recommended for hard surface floors and low-pile carpet entryways, hallways and lobbies. Using the proper mat at entryways to reduce dust, dirt and pollen and other particles earns 1 LEED point for your company. Manufacturer's one-year warranty.

* NFSI Certified. Contains 99% post-consumer recycled content, 99% total recycled content.

D WaterGuard Indoor/Outdoor Scraper Mat Keeps your office or home clean, dry and safe. Bi-level constructed so dirt and debris is trapped below the walking surface and off your floors. The polypropylene carpeted surface makes this a scraper to remove heavy soil and debris and also a wiper to help trap moisture. The non-slip all-rubber cleated backing provides a secure gripping action to carpets and hard surface floors. The beveled edge border helps contain the dirt and moisture and helps reduce the chance of slips, trips and falls. Easy to clean and maintain, just shake out, vacuum, hose and dry or clean with a light carpet cleaning machine. Manufacturer's limited two-year warranty.
