**G General-Purpose Glass Filament Tape** Heavy-duty jobs require a heavy-duty tape—and now you have one. The polypropylene backed tape is both easy to handle and dispense. But it's not simply a convenient tape, it's also very strong—with up to 300 lbs. per inch tensile strength. It provides an excellent resistance to nicks, abrasion and moisture. This tape also combines an ideal balance of adhesion and high shear strength, utilizing a specially formulated hot melt resin adhesive.
