

A Heavy Duty Nonstick View Binder with Locking One Touch™ EZD™ Ring Heavy-duty binder for extended use. Clear cover and spine allow you to easily customize your binder. Four interior pockets offer extra storage inside your binder. Wider front and back panels fully cover standard dividers and sheet protectors. One Touch™ EZD™ rings have a higher page capacity compared to the same size slant or round ring. Gap Free™ ring feature prevents gapping and misalignment of rings. Pages lie flat with back-mounted rings. Heavy-duty, nonstick material won't lift ink or toner off printed pages.

B Durable View Binder with EZD™ Rings Durable binder ideal for frequent use. EZD™ rings provide increased capacity versus the same size slant or round rings. Clear cover and spine allow you to easily customize your binder. Organize and secure paper with four interior pockets. Pages lie flat with back mounted rings. Exposed rivets on back.
