**A D-Ring Economy View Binder**

Matte-finish, transparent plastic overlays on front cover, back cover and spine present limitless label customization options. Say goodbye to page jamming and curling and hello to smooth page turning thanks to this binder's D-Ring design. D-Rings also allow you to store 25% more documents than in a comparable round ring binder. Open and close triggers provide fast, nearly effortless access to single sheets. Front cover folds back to create a compact, rigid "mobile desktop" for note taking on the fly. This product was made from wood that came from a certified managed forest.

**B Clean Touch® Heavy-Duty Locking D-Ring View Binder with Antimicrobial Protection** Clean Touch™ binders promote cleaner schools, offices, homes, and hospitals with built in protection. Agion's all natural additive fights against the growth of bacteria, mold, fungus, and mildew for the life of the binder. Agion's additive is nature's antimicrobial and is based on silver (not nanosilver). Agion has global registrations including EPA and FDA. Clear overlay on front, back, and spine for easy customization. Locking D-Ring holds up to 25% more paper than regular round ring. Non-stick material will not lift copy. Extra storage for loose documents with two clear inside pockets. Ring mounted on back lid to reduce wear on paper. Lifetime product guarantee—A Binders for Life Product.

**D Earth's Choice™ Heavy-Duty Biodegradable Angle-D Ring View Binder**

Cover is formulated to biodegrade in a microbial landfill in 5 years versus the hundreds of years it takes normal plastic. Removable rings for easy recycling. Chipboard is made from 100% recycled material. Acid-free polypropylene. Rings are mounted on back lid to reduce wear on paper. Clear overlay on front, back and spine for easy customization. Extra storage for loose documents with two clear inside pockets. A portion of the proceeds from each binder purchased is donated to American Forests to help plant a minimum of 7,500 trees annually. CALIFORNIA NOTICE: California law prohibits any form of "biodegradable", "degradable" or "decomposable" labeling claims on plastic packaging and plastic products. As required by this law, Samsill does not make any such claims for its packaging and products offered for sale in California; nor does Samsill intend to imply to any customer in California that its products will breakdown in a landfill. Lifetime product guarantee—A Binder for Life™ product.
