

D CAT6 Snagless Patch Cable High-quality category 6 snagless cables enable high-speed data transfer up to 1 Gbps while protecting connectors from being damaged or snapped off during installation. Manufacturer's limited lifetime warranty.

belkin

A CAT6 UTP Computer Patch Cable This enhanced cable provides an ideal performance upgrade from Cat5 cabling in your 100Base-T or Gigabit Ethernet network. It ensures clean and clear transmissions with 50-micron, gold-plated contacts. The premium snagless-type molding protects the connectors from damage. Manufacturer warrants the product to be free from defects in materials and workmanship.
