4 KTK-CS270B	Black	12" × 12" × 18"	60 lbs.	EA	43.99

E Premium CPU Stand Save valuable desk space by storing CPU under or beside desk. Adjusts from 6" to 9" wide to accommodate virtually all CPUs. Protective padding protects and cushions CPU. Includes casters for easy mobility; front casters lock in place. Solid steel construction. ♻️ ♻️

ID No.	Color	W × D × H	Capacity	Unit	Price
5 FEL-91781 *	Platinum	8" × 9" × 9½"	50 lbs.	EA	37.99

* Contains 95% pre-consumer recycled content.

F Under Desk CPU Holder Offers hassle-free, space-saving storage for CPUs. Protective unit mounts underneath workstation to shield CPU from dirt, dust, bumps or accidental spills. Adjusts to fit CPUs ¾" to 9" wide and 10½" to 18" tall. For quick, easy access to cables and ports, the CPU holder rotates a full 360° or slides out from under your desk using the easy-grip handle, then slides back out of sight on the smooth 16" track. Powder-coated steel for strength and durability.
