**A. Febreze® Fabric Refreshers**

Febreze® cleans away odors trapped in fabrics; it's not a 'cover-up' product. Proprietary cleaning system goes to the source of odors and eliminates them. Spray directly on fabrics until slightly damp. As it dries, odors disappear. Patented binding technology locks on to odor molecules and traps them for good. Leaves the treated area smelling fresh and clean. Safe for virtually all fabrics.

**B. OdoBan® Vacuum Bag Refresher Beads**

Unique polymer gel bead technology neutralizes and eliminates odors. Beads release a fresh scent while vacuuming. Long-lasting scent keeps carpets fresh and clean. Also effective in bagless vacuum cleaners. Unlike powders, beads won't clog the vacuum cleaner filter. Fresh scent. 1.5-lb. jar. 12 jars per case.
